

# Certificate of Compliance

February 28, 2017

Re: RoHS 2 Compliance

According to the certification(s) received from the original manufacturer or supply source, and knowledge of our manufacturing processes, OK International hereby declares and certifies that all products are RoHS 2 compliant according to the definitions and restrictions given for the Directive 2011/65/EU by The European Parliament on the restriction of the use of certain hazardous substances in electrical and electronic equipment. OK International hereby states that the following banned substances are not found above the threshold level listed.

Cadmium (Cd)	0.01%
Lead (Pb)	0.1%
Mercury (Hg)	0.1%
Hexavalent Chromium (Cr+6)	0.1%
Polybrominated Biphenyls (PBB)	0.1%
Polybrominated Diphenyl Ethers (PBDE)	0.1%
Bis (2-Ethylhexyl) phthalate (DEHP)	0.1%
Benzyl butyl phthalate (BBP)	0.1%
Dibutyl phthalate (DBP)	0.1%
Diisobutyl phthalate (DIBP)	0.1%

Sincerely,

Michael Moroz
